## Hamilton Beach® Smart 12-Cup Coffee Maker, works with Alexa® Certified

**“Alexa, Turn on my Coffee Maker”** – Hamilton Beach® has provided your morning coffee jolt for years. Now, you can brew your coffee manually, use the Alexa® app, or simply ask Alexa from your Amazon Echo. Fumble with programming the clock? Never again. The clock automatically keeps the correct time displayed by syncing wirelessly.

**Utilize Alexa Routines** – Easily program your coffee maker for wake-up ready coffee using Routines in the Alexa® app.

**“Alexa, Set Brew Strength to Bold”** –Simply ask Alexa to switch between regular and bold to ensure the perfect sip every time.

**“Alexa, Turn Off My Coffee Maker”**: Step out the door with the coffee maker on? You can now shut it off from the car or office with the touch of a button in the Alexa App on your phone. If you forget, auto shutoff will automatically turn off the heating plate after 2 hours.

**Alexa Compatible, Hamilton Beach Powered** – You’re not brewing with just any coffeemaker. Alexa connects the Front Fill, 12-Cup Capacity Coffee Maker from Hamilton Beach, a leading manufacturer in coffee makers for over 100 years. A front swing-out brew basket and front-fill water reservoir make loading this coffee maker a breeze. It is equipped with a drip-free carafe, non-stick warmer plate and features stainless steel accents.
