

Hamilton Beach®

Hamilton Beach® Stack & Snap™ Food Processor

Six Options for Ultimate Versatility – Chop, fine shred, coarse shred, puree, knead and slice to complete any food prep with ease. A reversible shredding disc allows for both fine and coarse options, and an adjustable slicer lets you choose between the six different thickness settings. This food processor also includes a stainless steel S-blade and dough blade.

Bowl Scraper Included – When using a food processor, a big frustration for consumers is having to stop and scrape the bowl. Now, use the built-in bowl scraper during processing to effortlessly remove ingredients from the sides without stopping to remove the lid.

Easy to Use – Featuring Hamilton Beach's easy Stack & Snap™ assembly, there's no complicated twisting and locking prior to use. The 8-cup, leak free bowl has a pour spout and is dishwasher safe. This food processor even comes with a compact storage box to keep attachments organized.

Endless Possibilities – Shred cheese for tacos or effortlessly slice cucumbers for a salad. Chop and puree to your ideal consistency for salsas, sauces and more. Knead your own pizza dough and top it with perfectly sliced veggies. Homemade foods are easier than ever when using the Hamilton Beach® Stack & Snap™ Food Processor.
