

Hamilton Beach® Professional Hand Mixers

Powerful Mixing at Home – The Hamilton Beach® Professional Hand Mixers are designed for effortless mixing. These professional-grade mixers give you the power and control to mix with ease, whether you're mixing a batch of cookies or perfecting a whipped cream topping. From a gentle mix to a strong whip, take advantage of the Hamilton Beach® QuickBurst™ technology at any speed for an added boost.

Slow-Start to Prevent a Mess – Hamilton Beach® Professional Hand Mixers feature a first speed nearly half as slow as a traditional hand mixer. Avoid clouds of flour or splatters of dough by gently increasing your speed as you mix.

5-Speed Hand Mixers - These hand mixers allow you to shift between five speeds with the single touch of a dial. It comes with dishwasher safe stainless steel wire beaters and a whisk attachment. The metallic red and chrome 5-speed also comes with dough hooks.

7-Speed Hand Mixers – These hand mixers can shift between seven speeds and offer an LED display to track speed at a glance. They come with dishwasher-safe Soft Scrape™ beaters to prevent scratched bowls, two dough hooks, and a stainless steel whisk.

Easy to Use and Store – All Hamilton Beach Professional hand mixers feature a lockable swivel cord for versatile right or left handed use. A simple eject lever makes removing beaters and other attachments a breeze, and a snap-on case allows for efficient storage.

Hamilton Beach® Professional - These mixers are designed to improve the mixing experience, and come with a five-year limited warranty. Mixers will be available in black, white, mint, metallic red (with chrome) and metallic silver (with chrome).
