Good Thinking® Features

Pops Up To 3x More – Many theater-style popcorn poppers make 8 cups of popcorn. The Hamilton Beach® PartyPopper™ makes up to 24 cups of movie-style popcorn in one popping cycle so you can entertain a crowd without having to make multiple batches.

Easy to Load, Easy to Serve – Includes a unique measuring cup for adding the perfect amount of oil and kernels every time. Just load, pop, and serve right from the bowl. The top of the PartyPopper™ lifts off and the base functions as a serving bowl.

No Hassle Cleanup – Traditional theater-style poppers have difficult to clean popping chambers that must be washed by hand. The PartyPopper™ has a removable and dishwasher safe chamber for fast, easy cleanup.

Compact Storage – The top and bottom separate and nest together for easy storage.
