

Hamilton Beach®

Hamilton Beach® Raclette Party Grill

Raclette Meals – Similar to the communal-style cooking of fondue, raclette meals allow everyone around the table to cook their food while enjoying each other's company. Traditionally prepared over a fire, Raclette can turn a meal into a unique cooking experience or activity.

Easy, Individualized Cooking – There's something for everyone's taste when cooking with a raclette grill. With eight individual heating trays and an easy to use nonstick grill plate, a crowd can cook and combine ingredients any way they want.

Perfect for Parties – The Hamilton Beach® Raclette Party Grill accommodates up to eight guests. Make an entire meal at once with an assortment of meats, vegetables, potatoes and cheeses or bring the sweet fun of s'mores inside over the raclette. Recipes are included with the grill to help you plan a delicious meal your guests will surely remember.

Indoor Grilling Features – Sear shrimp on the grill and perfectly melt a cheesy sauce in your tray using adjustable temperature controls. The nonstick grill top easily wipes clean and can be washed in the dishwasher, along with the individual trays and spatulas.
