Proctor Silex® Personal Glass Blender

One of a Kind – The newest Proctor Silex Personal Blender is the only single-serve option for consumers that features a glass jar. This stain-resistant blender holds up to 20 ounces and the lid includes a convenient, removable filler cap.

Small and Simple – Includes on/off and pulse controls for quick and easy use. Its powerful blending produces smooth results every time and the removable blade set makes clean-up a breeze. Hold or pour with ease using the easy-to-grip handle on the glass jar.

Fun Color Options – Add a little vibrancy and style to your blending with three great color options: white, pink or blue.

On-the-Go – If glass is your preference, you can now enjoy single servings and on-the-go smoothies too. Use it to make quick salsas, dressings, sauces and more.
