## Proctor Silex® Deluxe Sandwich Maker

**One of a Kind** – Make boring sandwiches a thing of the past. From stacked club-style sandwiches to french toast, the Proctor Silex® Deluxe Sandwich Maker offers the versatility everyone needs in the kitchen. Not to mention, its stainless-steel exterior gives off a sophisticated look on any countertop.

**Fast and Easy to Use** – Cook two grilled sandwiches or one long sandwich in under five minutes. However, you're not limited to lunch foods - try making scrambled eggs or omelets for breakfast. This versatile sandwich maker lets you toast sandwiches of any thickness on both sides at once. The power and preheat indicator lights let you know when your sandwich maker is ready to begin toasting.

**Convenient, Upright Storage** – The convenient cooking handle keeps the sandwich maker locked while cooking is in progress. The sandwich maker lid stays open while making open face sandwiches or cleaning the non-stick ceramic plates. Choose from upright or horizontal storage.
