

Hamilton Beach®

Hamilton Beach® Programmable Front Fill 14-Cup Coffee Maker

Extra Large 14-Cup Capacity – Brew enough coffee for the entire family with the new Hamilton Beach® Programmable Front Fill Coffee Maker. Choose from 3 different brew modes: regular, bold or 1-4 cups for smaller capacity.

Wake up to Brewed Coffee – Programmable for morning coffee, you can sleep with ease knowing you will wake up to a fresh pot of coffee. The automatic shut off function is adjustable from 10 mins up to 4 hours.

Convenient Front Fill Feature – Brewing your first cup of coffee has never been so simple. With the accessible front fill reservoir, you won't have to pull your coffeemaker out from under the cabinets to begin the brewing process.

Auto Pause & Serve Function – Now you don't have to wait for brewing finish before pouring your first cup. This coffee maker comes equipped with a convenient auto pause & serve function.

Additional Features – A permanent, removable gold cone shaped filter makes disposing of messy grounds simple and maximizes coffee flavor. The time since brewed freshness indicator will let you so know the freshness of your coffee. A non-stick hot plate will keep your coffee warm without running the risk of affecting its flavor.
