Hamilton Beach® Glass Kettle with Tea Steeper

Steeps Loose Leaf Tea with Ease – If you prefer loose leaf tea, this kettle makes your daily brew easier than ever. Equipped with a removable tea steeper, simply add your leaves of choice and let it brew to perfection. The steeper includes a mesh filter for great taste and easy cleaning. When not brewing with loose leaf teas, simply remove the steeper.

Modern Glass Kettle – This 1.7-liter kettle has a sleek look with a glass pot and stainless steel handle, lid and base. Interior blue LED lights indicate when the kettle is in use, and it effortlessly lifts off the base for serving.

Additional Features – The concealed heating element boils water quickly and boil-dry protection automatically turns the kettle off once empty. An On/Off indicator light clearly shows when the kettle is in use.
