

Hamilton Beach®

Hamilton Beach® 9 in 1 Multi-Cooker

Nine Functions, One Cooker – Tired of jumping from appliance to appliance to get a meal on the table? The new Hamilton Beach® 9 in 1 Multi-Cooker is the solution to hassle-free cooking. This multi-cooker has the ability to take the place of multiple appliances, such as: a slow cooker, roaster, rice cooker, a food steamer and more. With nine different programmable functions and a 6-quart capacity, you'll have countless dinner options at your fingertips.

Controlled Cooking– With the push of a button there are personalized cook options for sear/brown, sauté, steam, white rice, whole grain and roast. The built-in LED countdown timer and delay start button allow for even more customization, creating the perfect slow cooker dish.

No Mess, No Problems – This multicooker has easy-to-clean removable aluminum cook wear, that is dishwasher-safe. The cook wear is lightweight and non-stick, leaving no messes behind.

Sleek, Rectangular Design– This multi-cooker is not only practical, but stylish with a cast aluminum exterior. The functional rectangular design easily fits a 6 pound chicken or a 4 pound roast. It is also great for lasagnas, casseroles and more.

Additional Features –The Hamilton Beach® 9-in-1 Multicooker also functions as a traditional slow cooker with Low, High and Keep Warm modes. It also includes a steam/ roasting tray for even more cooking functions.
