Good Thinking® Features

All the Great Features of a BrewStation® Coffeemaker, now with a Detachable Syrup Pump – Introducing the latest addition to our line of BrewStation® dispensing coffeemakers. A removable syrup pump gives you the option to add your favorite flavorings to your cup of coffee, for a completely customizable cup every time.

Dispenses One Fresh Cup at a Time – Just press your cup or travel mug on the dispensing bar and fill. If you prefer a sweet treat, dispense your favorite flavoring into your mug from the detachable pump. There's no carafe to spill or break, and no hot plate to scorch your coffee's flavor. A gentle warming heater keeps unused coffee tasting fresh for hours.

Versatile Brewing – Options include Bold, Regular, Small Batch and a dedicated program for brewing Iced Coffee. And with the flavor dispenser, there are endless combinations of flavors and brew styles to try.
