Good Thinking. Features:

Share Your Dish in Style – Don’t leave your guests guessing - let everyone know what’s inside the crock at your next gathering with a fun and creative label. Use the included chalkboard panels and white chalk to make your own label. The panel easily clips to the slow cooker and can be wiped clean with a damp cloth for reuse.

Party Portable – Bring your Chalkboard Panel Slow Cooker to your next party or potluck and leave the worry of spilling behind. The Lid Latch™ Strap makes for easy, mess-free travel.

Set It and Forget It – Cook your food to perfection without having to monitor it by using the Program mode to set temperature and time. Once your cooking time is up, the slow cooker automatically switches to warm.

The Right Size for Sharing – The five-quart capacity is perfect for family meals, like roasts and even a six pound chicken. It’s also big enough to feed a crowd warm bites and other party food.
