Hamilton Beach® FlexBrew® Programmable Single-Serve Coffee Maker with Removable Water Reservoir

Good Thinking. Features:

Maximum Brewing Flexibility – Enjoy the flexibility of using your favorite ground coffee or a single-serve pack, such as a K-Cup® pack*. The cup rest is removable, so you can brew a mug of coffee for home or a 14 oz. travel mug to go. It's even programmable, allowing you wake up to a fresh cup.

Single-Serve Coffee Variety – Do you prefer the convenience of single-serve packs or do you have a favorite ground coffee? Use your favorite type of coffee and brew it your way for a personal cup experience. Just fill the 40 ounce removable reservoir and make 8, 10, or 14 ounce cups of coffee without needing to refill between brew cycles.

Better Extraction for a Better Cup – FlexBrew® Single-Serve Coffee Makers are the ideal solution for coffee drinkers who are looking for a more robust taste in their coffee. Simply select the Bold option. Whichever way you decide to brew, you can have a great tasting cup of coffee whenever you need it.
