## Hamilton Beach® Personal Oatmeal Maker

Quick and Hearty Breakfast – Delicious and filling, oatmeal is the go-to breakfast for many. Create your serving exactly how you like it or change up your mix-ins daily for a variety of breakfast options. The Hamilton Beach® Personal Oatmeal Maker has two settings, regular or steel cut oats, and with the push of a button your breakfast cooks as you get ready for the day.

**Versatility** – The Hamilton Beach® Personal Oatmeal Maker cooks 1-3 cups of oatmeal and you can also enjoy cream of wheat, grits and more. Use your oatmeal maker to cook rice and other grains, bringing it from breakfast to lunch and dinner use.

**Bring it Along** – No time to enjoy your bowl of oatmeal at home? This personal oatmeal maker has an easy to grip handle, built in cord storage and is compact enough to take your breakfast to go.

**Additional Features** – The nonstick inner bowl is removable for cleaning and dishwasher safe. An automatic shut off provides peace of mind on a busy morning.

**Oatmeal Trend** – A top 10 breakfast food, now you can truly personalize your hot cereal experience in the comfort of your own home. From sweet to savory, try cinnamon and sugar, nuts, raisins, syrups, honey and more. You can even mix in an egg for a protein packed meal.
