## Hamilton Beach<sup>®</sup> Smart Chop<sup>™</sup> 3 Cup Chopper

**No Over-Processing** – Stop worrying about over-processing by using the patent-pending Hamilton Beach<sup>®</sup> Smart Chop<sup>™</sup> 3 Cup Chopper. Once food is chopped to the appropriate size, the unique Smart Chop<sup>™</sup> attachment allows it to pass into the lower bowl to prevent a mushy mess. This processor is ideal for nuts, peppers, onions, celery and more.

**Versatility** – By removing the Smart Chop<sup>™</sup> attachment and placing the chopping blade in the lower bowl, you're ready to create dressings, sauces and other wet foods, even liquids, using the same chopper.

**Features** – This three cup capacity chopper features a stainless steel chopping blade, a removable Smart Chop<sup>™</sup> attachment and is designed using the easy Stack and Press assembly with no difficult twisting or locking. Simply press the lid for chopping action.

**Easy Cleaning** – The removable attachment and blade make cleaning a breeze. The lower bowl is dishwasher safe and the chopper is small for easy storage.
