Hamilton Beach® Premium Bread Maker

Customize your Loaf – New to the Hamilton Beach® Premium Bread Maker, take advantage of an automatic fruit and nut dispenser. Simply load in your mix-ins at the beginning, and they will automatically be added to your dough at the appropriate time. You no longer need to hang around the kitchen to add delicious additions to your breads, cakes and more. Choose from three loaf sizes including 1, 1.5 and 2-pound. This bread maker can also finish your bread in three crust shades: light, medium or dark.

Easy & Fresh – Baking your own bread is possible with minimal effort. You can create everything from a loaf of basic white or whole grain to artisan, sweet breads and even gluten-free. Just add the ingredients, select a cycle and hit start.

14 Programmable Settings - Make bread, dough and more for all tastes and meals. Bake basic, French bread, whole grain, artisan, quick breads, and gluten-free breads. You can also use your bread maker to create delicious cakes and jams. Additional settings include rise, 1.5-pound express and 2-pound express.

Sleek, Modern Design – This bread maker features a fully stainless steel exterior and is equipped with a programmable LCD display and timer.

Easy-to-Clean – The nonstick bread pan lifts out for easy bread removal and cleaning. The pan, along with an included measuring cup, spoon, kneading paddle and paddle removing tool, are all dishwasher safe.
