Hamilton Beach® Egg Bite Makers

Restaurant-Style Egg Bites at Home – Do you love Starbucks Egg Bites? Now you can make your own. Enjoy protein packed egg bites in around 10 minutes from prep to finish with the new Hamilton Beach® Egg Bite Maker.

Quick and Convenient Breakfast – No need to stop for egg bites from your favorite coffee shop on the morning commute. Now you can reproduce these popular velvety bites at home. The removable egg tray can cook up to two bites or two poached eggs. For the perfect egg bites – pour water into the base to the fill line with your customized egg mixture. Try out different recipes like adding bacon bits and cheese or make egg white bites with spinach for a healthier alternative. Perfect for high protein diets or a filling snack or meal.

Compact Design – This small and easy-to-store design makes a fun addition to your countertop. The Hamilton Beach Egg Bite Maker will be available in teal and yellow; the only egg bite maker on the market.

What's Included? – Two egg cups are included with your Hamilton Beach Egg Bite Maker so you can start making egg bites right away.
