

Pioneer Woman 7-Quart Slow Cooker by Hamilton Beach

The Pioneer Woman: Pioneer Woman is introducing a new 7-Quart Slow Cooker in the popular Vintage Floral pattern. Ree Drummond, [The Pioneer Woman](#) herself, brings her signature bright and whimsical kitchenware designs to an expanding line of small kitchen appliances this Fall available exclusively on [Walmart.com](#). The additions to the line include new slow cookers, a food chopper, a hand mixer, a toaster and tea kettles. In partnership with Hamilton Beach Brands, the Pioneer Woman line, which already includes a top-selling slow cooker in several of Ree's designs, combines her creativity with the functionality and reliability of Hamilton Beach.

7-Quart Programmable Slow Cooker: In addition to the stylish slow cookers already in Ree's line, this new programmable option allows your food to cook while you're away from the house. You can set your slow cooker on high or low, and select a time from 2-10 hours (in two hour increments). For even more flexibility, it will automatically shift to warm when the cook-time is up. Cook effortless meals, from stews and soups to a seven-pound chicken or five-pound roast. The removable stoneware and lid are dishwasher safe for convenient clean-up.

Perfectly Paired Patterns: Inspired by her daily life on an Oklahoma Ranch, Ree's designs will brighten your table and countertops. Her style encourages mixing and matching to complement your individual taste in the kitchen. The line of small kitchen appliances offers some of her most well-known patterns including Vintage Floral and Fiona Floral. This exclusive offering at Walmart accompanies her extensive line of dishware, serveware, cookware and more.
