

Pioneer Woman Coffee Maker by Hamilton Beach

The Pioneer Woman: Pioneer Woman is introducing a new coffee maker in the popular Fiona Floral pattern. Ree Drummond, [The Pioneer Woman](#) herself, brings her signature bright and whimsical kitchenware designs to an expanding line of small kitchen appliances this Fall available exclusively at Walmart and on [Walmart.com](#). The additions to the line include a new can opener, coffee maker, food processor, blender, bread maker, and slow cooker. In partnership with Hamilton Beach Brands, the Pioneer Woman line, which already includes a slow cooker in several of Ree's designs, combines her creativity with the functionality and reliability of Hamilton Beach.

Coffee Maker Features: Enjoy your morning cup of coffee with the new coffee maker from Pioneer Woman in Fiona Floral. This single serve coffee maker allows you to brew 14 ounces of freshly ground coffee or 10 ounces from a K-Cup®* pack. The easy-fill reservoir and water window prevent over filling. A removable cup rest doubles as a storage container and the included grounds basket is reusable.

Perfectly Paired Patterns: Inspired by her daily life on an Oklahoma Ranch, Ree's designs will brighten your table and countertops. Her style encourages mixing and matching to complement your individual taste in the kitchen. The line of small kitchen appliances offers some of her most well-known patterns including Vintage Floral and Fiona Floral. This exclusive offering at Walmart accompanies her extensive line of dishware, serveware, cookware and more.
