

## Pioneer Woman Hand Mixer by Hamilton Beach

**The Pioneer Woman:** Pioneer Woman is introducing a new hand mixer in the popular Vintage Floral pattern. Ree Drummond, [The Pioneer Woman](#) herself, brings her signature bright and whimsical kitchenware designs to an expanding line of small kitchen appliances this Fall available exclusively on [Walmart.com](#). The additions to the line include new slow cookers, tea kettles, a food chopper and a toaster. In partnership with Hamilton Beach Brands, the Pioneer Woman line, which already includes a top-selling slow cooker in several of Ree's designs, combines her creativity with the functionality and reliability of Hamilton Beach.

**Hand Mixer Features:** This versatile mixer will be your go-to for mixing, whisking and folding. It offers six speeds and a burst function for additional power at any speed. It also allows for a slower first speed to provide maximum control and prevent splatter. A built in bowl rest allows you to set the mixer down with ease and mess-free. A convenient snap-on case keeps the included whisk and two beaters neatly stored, preventing you from losing any attachments between uses.

**Perfectly Paired Patterns:** Inspired by her daily life on an Oklahoma Ranch, Ree's designs will brighten your table and countertops. Her style encourages mixing and matching to complement your individual taste in the kitchen. The line of small kitchen appliances offers some of her most well-known patterns including Vintage Floral and Fiona Floral. This exclusive offering at Walmart accompanies her extensive line of dishware, serveware, cookware and more.
